

# **A Visit to Gigrin Farm Red Kite Sanctuary and Feeding Station**

**Date :** Saturday 28th September 2019

**Location :** Gigrin Farm, South Street, Rhayader, LD6 5BL.

Tel 01597 810243

www.gigrin.co.uk

## **Description:**

Gigrin farm is a Red Kite Sanctuary dedicated to the improvement of the population and rehabilitation of Red Kites.

From 3.00 pm (when the birds are fed) large numbers congregate giving the opportunity to photograph these birds from close range.

The Farm provides Hides from which the feeding event is witnessed and photographs taken.

To see videos of the event please visit the web site as above.

Hides are available at differing prices

Gateway Hide £17.00

Tower Hide £22.00

Big Tower Hide £ 27.00

I'm thinking the Gateway Hide 17.00 or Tower Hide would suffice £22.00 although at this stage I'm not aware how many people each can accommodate

## **Equipment:**

Telephoto Lens with range of 300 mm (minimum)

Warm waterproof jacket and trousers (Hides are half roofed so not water / rain proof)

Packed Lunch / Flask hot drinks

## **Travel arrangements:**

Members to make their own car sharing arrangements, however if enough people participate I will consider the hire of a Mini Bus.

Please contact Tony Young for inclusion on list stating preference of Hide.
